Dear Ms. Allen,

I am writing in response to your public records request for executive session minutes of the Wellesley School Committee from November 1, 2011 to the present.

Enclosed please find 14 documents responsive to your request. Significant portions of the minutes have been redacted because the current disclosure of that information would defeat the lawful purpose for which the School Committee entered into executive session and/or the information is subject to attorney-client privilege.

I apologize for the delayed response to your request. I had responded to a prior public records request from you in March 2012 and only just realized that I had neglected to respond to this separate, subsequent request for records.

Sincerely,

Salvatore Petralia  
Assistant Superintendent
